**ALL BRITISH DAY/AGM SUNDAY 15<sup>TH</sup> SEPTEMBER 2024**

Thirteen Morgans on display at this years All British Day held at St Joseph's Sporting Fields Tennyson. Last year we had fourteen but could not improve on this mainly due to members who were away, or their cars off the road, still a good showing. The weather was kind, not too hot, clear blue skies and a slight breeze. This event attracts a vast collection of British vehicles including passenger, commercial and motor bikes and this year was no exception. Jaguars seemed to dominate the lower section of the fields, and their variety and number was exceptional. Plus 8's ruled in our display but once again the 3-wheeler of Trevor Voevodin was the major attraction, and Trevor was on hand to answer the questions from interested parties. Our 17<sup>th</sup> AGM was held on the day with

attendance from 20 club members and one visitor Don Barber who owns an orange Plus 8 and will now apply for club membership taking our total to 51. Members Greg and Helen Turner who had their Plus 8 on display also own a 1947 Morris Z which won Best British Commercial, congratulations. During the AGM our balance sheet and profit and loss to 30/06/24 were adopted/approved and will accompany our annual return to The Office of Fair Trading. An enjoyable day was had by all, and a very successful AGM saw the end of another financial year for the club. The committee remains unchanged, and my thanks to them for their support and input during the year.

**1. PRESIDENTS REPORT**

To begin with, I'd like to express my thanks to the committee, but particularly to Clive Boyle for his untiring efforts in every respect of the club. Without Clive's input we would not have the organisation or the activities we currently enjoy.

The production of Sunmog has again been a feature of the year and my thanks go to Geoff and Lyn Boucaut for producing a monthly publication of such quality and interest.

All British Day was a highlight again, not only because it began 2023-24 MOQ year, but also because it again saw 14 Morgan's on display at the Terrace fields at Tennyson.

We have again enjoyed a full calendar of activities throughout the year, and for the most part all the runs and activities were very well supported. As I remarked last year, it would be pleasing to see, more members participating in our various activities, both in the interests of seeing a wider range of cars out and about, but also to introduce their various owners to the social aspects of Morgan ownership.

My thanks to all the members who "volunteered" to co-ordinate our various activities with again particular thanks to Clive, given that he has been the organiser of five of our outings this year including an excellent weekend that we have just enjoyed at Roma (more of that later).

Our first activity for the 2023-24 year after the AGM was an October well attended excursion to the Brisbane Motor Museum at Nundah organised by Clive, followed in November by Xmas "break up" with the usual good attendance, at the Grandview Hotel at Cleveland. The Hotel is undergoing a refurbishment and the general consensus was that we might be better served changing the venue for the November function this year.

After the December-January break 2024 kicked off with the "Hot Chilli Run" organized by Keith and Judy Browning. I wasn't able to attend this run, but I understand that all attendees enjoyed the lunch at the "Fox & Hounds" and the dinner and stay at "The Manor" at Mt Tamborine.

March saw a day trip organised by Lance & Susie Boucaut with a run from Enoggera Dam through the Mt Mee area and a lunch at the D'Aguilar Pub, followed in April with run from Caboolture through the hinterland ultimately arriving at the Caloundra Air Museum (had me baffled the whole drive, as I thought we were going to the Caboolture Airport). The Caloundra Museum is quite a spectacle and well worth a visit.

May again saw us at the "Opera at Jimbour", this run again organised by Clive. Unfortunately, the Gods didn't smile on us on the Saturday as it rained persistently all day. One bright note, however, was that we were able to bring our cars inside the fence next to the stage.

Cam Macphee organised the June outing, culminating in a very interesting lunch at Therry Clerc's restaurant at Maleny. Therry is the proud owner of a very well presented Plus 8.

We had an excellent overnight stay for our "Christmas in July" celebration under the guidance of John & Julie Turnbull, staying at "Woodlands" at Marburg, where we had the run of the facility to ourselves. There were 14 Morgans present, all of which posed for an excellent photo in the July Sunmog.

We didn't do our usual run to "Jumpers and Jazz" in Warwick saving that one for 2025.

Which brings me to our August excursion, under the leadership of Clive. Five Morgans made the trip west, to participate in a weekend of activities centered around the Centenary of the last Cobb & Co run between Surat and Yuleba. The weekend is more fully described in the August Sunmog so I won't take up your time here.

Again. My thanks to Clive and the Committee members as well as our run organisers for their efforts throughout the year and our members for their participation in the Club's activities.

Greg spoke on his report and thanked all members for their continued support and participation. Greg again thanked Geoff Boucaut for the production of Sunmog an excellent monthly magazine.

## **2. SECRETARYS REPORT**

Another successful year for the club that continues the fine tradition of "sharing the passion" of all things Morgan. Including this AGM we have had nine outings with another two planned in October and November. This is in line with our target to have at least one outing every month except the hot months of December and January. Thank you to all the committee members for their input during the year, with a special thanks to all those who organised outings. Not only do the participants enjoy getting out in their cars but the friendly interaction between them is to be commended. Also, a special thanks to Geoff Boucaut for producing an excellent monthly Sunmog. Forty-nine members have renewed for the 2024-25 year and this to me indicates that the club is doing something right. The one member we lost has their car on the

market, if not already sold. The calendar for 2025 is looking good but there are still two months vacant, and we encourage members to volunteer to organise outings. Experienced organisers are always on, hand to assist. Looking forward successful year in 2024-25.

Somebody told me this is Morgan's rule but don't hold me to that.

### **3. TREASURERS REPORT**

Six weeks into our club's financial year we have 49 paid up members for the 24/25 year. The overall financial position basically remains steady from one year to the next. The financial support provided by MOCA is much appreciated and this year amounted to \$168.00. This was used to help defray the club's expenses at Woodlands mansion for our Christmas in July. At today's date the bank balance stands at \$5040.97. Today the number of MOQ financial members stood at 49. Our club continues to enjoy a stable membership which allows MOQ to maintain a healthy bank balance through having a small but enthusiastic membership.

Jon Voller Treasurer MOQ

Jon spoke on his report and mentioned the \$ support we receive from MOCA, this should be received by Christmas, but he was unsure what the amount will be. Lee asked Jon to explain to members how this support works. Jon explained that the club receives \$25.00 for each member who is also a member of MOCA. The Morganeer (MOCA's newsletter) is now digital and has saved the club substantial costs and reduced the membership fee to \$35.00 per annum. Being a member of MOCA also entitles you to a copy of the English Morgan magazine which has great technical support. Jon noted that we have asat today 50 financial members.

## **8.General Business –**

Events for 2025

Clive advised that we have two more events this calendar year. October 5th Cars & Coffee at Coolum/ lunch at Kenilworth and Xmas lunch/break up at a cafe in the Redlands area.

Jon Voller explained that he as organiser, has applied to the council to use public land next to the café park our Morgan's. the council insisted that we have \$20m insurance cover for public liability. The club has increased this cover from \$10m to \$20m and Jon will follow up and advise. We have a private room on the second floor with a view, it is licensed but BYO wine maybe allowed, to be confirmed.

Greg mentioned an outing in 2026 again combining the activities of The Roma Historical Motor Club and maybe 5-6 days exploring the area out West and returning via the coast.

We will obtain a copy of their calendar.

Change of rules ATO tax return for clubs/not for profit organisations.

Clive explained that the ATO have changed to rules for clubs/not for profit organisations and some may now have to lodge a tax return. Investigation so far suggests that we will not have to as we raise income only from members annual fees

and not from outside sources. When lodging our annual return Clive will ask the Office of Fair Trading to confirm that we are exempt.

Clive moved a motion that the Balance Sheet & Profit and Loss for the year ended 30/06/24 be approved/adopted. These were circulated to members with the agenda and will be signed by Greg as President and accompany our annual return.
